

Moore County Information Technology - [Darlene Yudell](#) , Director
206 S. Ray Street, Carthage, NC 28327 [\(get map\)](#)
_ (910) 947-6306

The Information Technology department protects, preserves and enables all the data and all the capabilities needed by those who serve the community and the citizenry.

Our Mission is to support Moore County Government's investment in technology as a means to enhance service delivery to citizens and to provide convenient, reliable and efficient access to electronic government services.

One Team, One Mission
